Great location right on St. Clair river. 60 + boats racing this year. Great Lakes freighters, great music, food and other vendors. Bring the family.

GREAT time! Couldn't stick around for the music this year, but heard it was really good. Highlight for me is the boat racing - watching the "cream of the crop" come to town to compete.

HATS OFF to all who contributed toward making this event such a success from start to finish - already looking forward to next year!
